FEATURES & BENEFITS

The ultimate sound suppression for the Smith & Wesson® M&P®15-22 platform now comes together with the Gemtech® Integra® 15-22 integrally suppressed upper. We've created an experience you have to try to believe.

01 G-CORE® TECHNOLOGY

For a lightweight, easily maintained, and unbelievably quiet package.

02 FAMILIAR ERGONOMICS

With familiar controls to our M&P15 line, you can train with a lighter recoiling and more budget-friendly rifle.

03 IMPROVED COMFORT

The 6-position adjustable length stock and AR-style grip improve the comfort and handling of the rifle.
